Surrendering the Secret, Healing the Heartbreak of Abortion by Pat Layton (Women-Personal Growth)

For Confidential Sign up and information on days and times offered call Tricia at 210-601-9196 or visit www.abortionrecoveryusa.com. **Surrendering the Secret** provides a personal study experience helping hurting women find the path to healing through honest, interactive Bible study; meaningful group experiences; unique journaling exercises; and confidential, caring community. Many women hide the secret of abortion deep in their hearts and they are suffering severe consequences. They carry a great burden of shame and failure, afraid to reveal their hidden pain, and by doing so are forced to endure the long-lasting effects in isolation. Surrendering the Secret will allow women to release this burden and find freedom through 'redemptive community' while experiencing hope and joy, as shame and failure is replaced with beauty.

Anointed, Transformed, Redeemed: A Study of David, (Women-Personal Growth)

This study provides the participant experience for the women's Bible study taped at the 2007 Deeper Still conference featuring **Beth Moore, Priscilla Shirer, and Kay Arthur**. These three women explored their lives and the life of David in this six-session Bible study. The messages presented by these beloved authors are divided into three segments, two lessons from each author. Each segment focuses on the life of David at a different stage of his life: as a young man (sessions one and two by Priscilla Shirer), as a middle-aged man (sessions three and four by Beth Moore), and as a man facing the final third of his life (sessions five and six by Kay Arthur). You'll laugh with them, cry with them, and learn to love God with them.

Made to Crave (Women-Personal Growth)

Has food become more about frustration than fulfillment? *Made to Crave* is the missing link between a woman's desire to be healthy and the spiritual empowerment necessary to make that happen. Author Lysa TerKeurst personally understands the battle that women face. In *Made to Crave*, she will help you:

- Break the cycle of "I'll start again on Monday," and feel good about yourself today.
- Stop agonizing over numbers on the scale and make peace with your body.
- Replace rationalization that leads to diet failure with wisdom that leads to victory.
- Reach your healthy goals and grow closer to God through the process.

This book is not a how-to manual or the latest, greatest dieting plan. *Made to Crave* is a helpful companion to use alongside whatever healthy eating approach you choose — a book and Bible study to help you find the "want to" in how to make healthy lifestyle changes.
